Introduction

- » What is your name?
- » What is one positive word people use to describe you?
- » What is your dream travel destination?

Guiding principles

- » Themes are neutral
- » Themes are not labels
- » Lead with positive intent
- » Differences are an advantage
- » People need one another

Guiding Principles

» Themes are neutral

Guiding Principles

» Themes are not labels

Guiding Principles

» Lead with positive intent

Guiding Principles

» Differences are an advantage

Guiding Principles

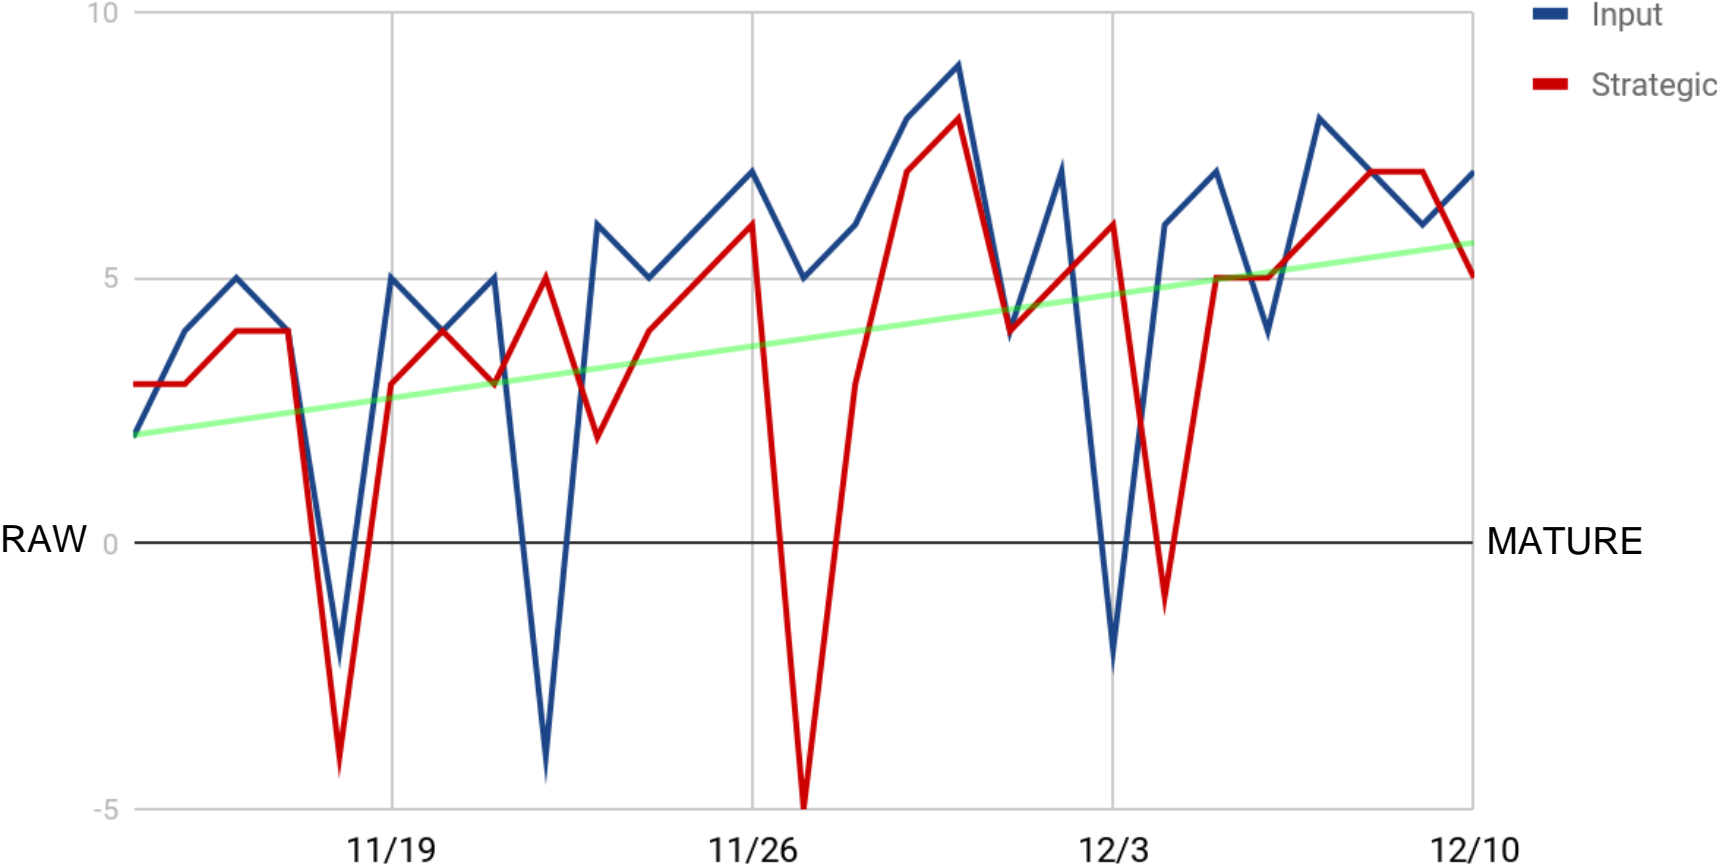

» People need each other

INVESTING IN YOUR STRENGTHS

Investment in Talents

Stand up if you
always...

- » Talk to people in elevators, grocery stores and basically everywhere you go
- » Have a color-coded or otherwise organized closet
- » Write down a list of things to do and stick to it
- » Make a list of things to do on the weekends
- » Need someone to race while driving
- » Ask a lot of questions
- » Push the elevator button to remind the elevator you are there

Your Insight Report

- » Highlight the words and phrases that resonate with you in your Insight Report.
- » Use these insights about yourself as we explore some of the most common themes in your class.

FIRST IMPRESSIONS

What was your first impression of your
Signature Themes?

Did anything surprise you?

Wrap Up!
